Re: Chino Meadows II Water Company; Docket No. W-02370A-0183

Dear Mr. McNeil:

We write to follow up on our telephone conversation of this date. We were recently retained to represent Chino Meadows II Water Company in the above-referenced docket. We understand that our client's Application for Approval of an Off-Site Facilities Hook-Up Fee Tariff ("Application") is currently scheduled to be heard at the open meeting scheduled for April 24, 2008. You indicated that consideration of the Application could be deferred until the next open meeting date if our client agreed to waive the automatic enactment of requested tariff if not heard at the April 24<sup>th</sup> meeting.

We have confirmed that our client is willing to waive that time limit and request that consideration of the Application (as well as the deadline for filing of exceptions) be deferred until the next open meeting.

Your attention to this matter is appreciated.

Sincerely,

Stanley B. Lutz
